ATTORNEYS FOR THE DEFENDANTS

1 JUDGE BISSEL: I come now to the
2 decision in the matter of Jules Robinson, civil
3 number 07-5127.

4 This opinion/report is being issued
5 pursuant to the directives of the Order of Reference
6 to the Special Master and the Special Master's
7 Agreement and the guiding principles of law which
8 underlie this decision to be applied to the facts
9 upon which it is based as set forth in the jury
10 instructions in the Walker and Mejias jury charges to
11 the extent applicable to the allegations of Mr.
12 Robinson.

13 As finalized after review under Local
14 Civil Rule 52.1, this transcript will constitute the
15 written report required in paragraph seven of the
16 Order of Reference to a Special Master.

17 Mr. Robinson was housed on D and later
18 B Units at Bayside during the lockdown and the events
19 about which he testified. Mr. Robinson, of course,
20 testified at length on the video hookup and his
21 testimony live was indeed consistent with his
22 numerous alleged encounters with Bayside and SOG
23 officers during the lockdown.

24 The most serious alleged injury about
25 which he testified was allegedly due to his genitals

1 being kicked, he said a kick by Officer Kaminski in
2 his cell after a court line and back in his cell in B
3 Unit. His answers to interrogatories in D-207 spell
4 out his story and I need not recount it at length
5 here. He said what he said. However, I find that
6 there are certain parts of his testimony, both here
7 and in D-207, that are so inherently fantastic and
8 unbelievable that it leads me to apply and conclude
9 under the doctrine false in one false in all that Mr.
10 Robinson cannot be said to have sustained his claims
11 by any credible evidence.

12 I haven't relied solely on his
13 testimony, of course. I realize that his cell mate,
14 Benjamin Pullin, had testimony that was relevant to
15 Mr. Robinson's case. However, as we'll see in a
16 moment, I'm not in a position to find in favor of Mr.
17 Pullin either for some of the same reasons.

18 More particularly, Mr. Robinson's
19 testimony about the court line proceedings and the
20 events which led up to it are just not credible and
21 not feasible. Its basically presented, once again
22 consistent with his testimony here, in the first,
23 second and third paragraphs at page two of D-207, and
24 I'm going to take a moment to read those into the
25 record so that it's perfectly clear to all what I'm

1 talking about.

2 He says, and I quote: "On 8-1-97 a
3 sergeant came to my cell at or about 8:30 AM with a
4 charge of conduct which disrupts. The charge states
5 I, Jules Robinson, was kicking on my cell door at
6 7:05 AM on 7-31-97, complaining about the food the
7 officers were feeding us, saying bad remarks about
8 the murdered officer. I stated to the sergeant that
9 I was sleeping in bed. When the door was opened, I
10 was walking with a cane and I couldn't kick anything.
11 I did not know Officer Baker so; therefore, I had
12 nothing to say about him at all. I asked him to get
13 statements from John Maggett, my roommate, as well as
14 cell 209 and 211 to see if any noise was coming from
15 cell 210.

16 "At 8-1-97 at or about 10:30 AM or
17 12:30 PM, first shift B Unit Officer Snell and four
18 SOG officers came to remove me for Court Line. I was
19 ordered to walk with my head down and not to look at
20 any of the officers. As I was walking towards B Unit
21 Rec Room, one of the SOG officers got inside the
22 shower with me. The shower door was closed and I was
23 ordered to lean on the shower door, hold on to the
24 opening of the door for handcuffing, and put my head
25 up against the door as well as my knees. The shower

1 door was made like chicken coop fences.

2 "At this point, the officer inside the
3 door started beating my hands, my forehead, and my
4 knees with his night stick. The officer inside the
5 shower with me was standing in a batting stance
6 behind me with a stick and said if you fall, I'm
7 going to beat you and beat you.

8 "I asked, 'why are you doing this, I
9 didn't do anything.' The officer inside with me said
10 'You all did,' as I was screaming and crying out in
11 pain. The officer outside the door hitting me said
12 'Shut up. We don't hear your cries, just the cries
13 of the officer's wife and kids.'

14 "After about 15 minutes of this torture
15 the shower door was unlocked and I was ordered to
16 come out with my head down. As I walked up the four
17 steps that bring me into B Unit Rec Room, I couldn't
18 believe my eyes. There in the middle of B Unit Rec
19 Room was a long table. At the table sitting was the
20 hearing officer, Lance Meehan, a Bayside Lieutenant
21 and countless Bayside and SOG officers standing
22 around the Rec Room with a blond-haired woman who I
23 now know was ombudsman Ms. Lebak, sitting in the
24 corner of the Rec Room not seven feet from where I
25 was being tortured for 15 minutes or more."

1 That testimony is just not credible for
2 any number of reasons. First, as set forth in
3 exhibit D-222, which I have no reason to disbelieve,
4 Ms. Lebak wasn't there on that occasion.

5 Secondly, Mr. Meehan, who certainly
6 would have been in a position to hear this and who
7 testified here and who I have every reason to believe
8 was a conscientious hearing officer with regard to
9 events such as this, particularly given the
10 heightened seriousness of events during this
11 lockdown, would have no reason to lie and he believes
12 he would have heard something like that if it
13 occurred. Certainly with the short distance involved
14 and an opening in the door, there is little doubt
15 that from a distance of seven feet with yelling and
16 screaming after being beaten, whether it's 15 minutes
17 or five minutes or three minutes, would be the sort
18 of thing that he would have heard.

19 And of course, the SOG officers were
20 knowledgeable about the layout of the premises and
21 who was present. Whatever their inclinations may
22 have been under other circumstances, it makes
23 absolutely no sense whatsoever that they would have
24 beaten this man in that way and thereby imperiled the
25 court line hearing to which he was about to be

1 subjected.

2 At one point also Mr. Robinson offered
3 that Mr. Meehan went outside for a smoke. Mr. Meehan
4 testified he doesn't smoke. Now, you may say that's
5 a small matter, maybe he might have construed that he
6 just went outside to take a break or something, but
7 it's another piece, if you will, of the puzzle that
8 indicates that Mr. Robinson is certainly fabricating,
9 at the very least, this event.

10 Furthermore, of course, we have his
11 testimony with regard to numerous other beatings. I
12 count a total of seven others in addition to this and
13 that probably is a conservative count. Beginning on
14 the 31st of July allegedly and going up through
15 approximately the 14th of August, the time he said he
16 was kicked in his genitals in the cell. They include
17 assaults in the D Unit rec room, being dragged by
18 SOGs with a stick under his throat, being punched and
19 kicked in the B Unit rec room, being kicked in the
20 back while going into a cell, the shower beating and
21 torture that I mentioned before, further punchings in
22 his cell at a later time and the assault to his
23 genitals. One instance he accused the local housing
24 officer, Sergeant Blount, of eye gouging him. Once
25 again, the court finds that testimony not to be

1 credible in the least.

2 Some events involved as he recounted
3 them, particularly the court line supposed torture
4 testimony is virtually impossible. Others are highly
5 illogical.

6 While I can understand a possibility of
7 some assaultive conduct by SOG officers who are not
8 from Bayside, and eventually would be gone and
9 couldn't be identified and, indeed, I have found that
10 to be true in several cases and may well in the
11 future, the testimony of the line officers at Bayside
12 is quite telling and once again inherently logical.
13 They put themselves at substantial risk for engaging
14 in the type of conduct that Mr. Robinson would
15 attribute to them. Particularly someone such as Mr.
16 Blount.

17 It makes no inherent sense whatsoever
18 that those officers would engage in assaultive
19 conduct knowing that within a matter of weeks the SOG
20 officers would be gone, the prisoners with whom they
21 interact every single day would still be there and
22 they would be outnumbered and unarmed in the prison
23 units under normal operating procedures.

24 Remember also that they have the
25 reminder of the death of Officer Baker. While on the

1 one hand one might say that that would make them
2 angry and inclined to seek their own measure of
3 revenge, on the other hand, it certainly brings home
4 the fact that if for one reason or another a prisoner
5 is angered beyond rationality, something such as
6 happened to Officer Baker at the hands of Mr. Beverly
7 is very possible. So Officer Blount, in connection
8 with the alleged incident involving him, took the
9 stand and denied it and I find that testimony to be
10 credible as well as his testimony generally.

11 Usually relatively contemporaneous
12 statements (and I'll include the interrogatory
13 answers with this that are consistent with trial
14 testimony) support the accuracy of the trial
15 testimony. But here, I find Mr. Robinson's lengthy,
16 repeated recounting of so many incidents of
17 continuous beatings and torture with all of its
18 illogical and impossible connotations just doesn't
19 hold water.

20 I tried to figure out why. And really
21 while it's not perhaps critical to the decision
22 reached here, it certainly appears that this is the
23 product of a continuing multiple and growing anger in
24 Mr. Robinson emanating from his initial lashing out
25 with regard to the food that was delivered on the

1 31st of July. He was his own worst enemy in terms of
2 any escalations beyond that, but in most instances he
3 has fabricated these events for the purpose of
4 seeking his own retribution should he be successful
5 in this action.

6 Although not every item of evidence has
7 been discussed in this opinion/report, all evidence
8 presented to the Special Master was reviewed and
9 considered. For the reasons set forth above I
10 recommend in this report that the district court
11 enter an order and judgment of no cause for action
12 with regard to Jules Robinson.
